I. Call to Order and Roll Call – T. Morisi

II. Welcome, Introductions and Remarks – T. Morisi

III. Old Business

A. Accepting Payments over the Web – Jones and J. Morisi

Morisi handed out a summary of his research with PayPal demonstrating the costs and advantages/disadvantages of each option. (Attachment #1). He recommended the PayPal Standard Solution stating that it offered everything that we need without monthly fees. Jones stated that the result of his research with the bank was that our volume would be too low to be practical.
Upon motion by Flowe and second by O’Hare, the Executive Committee approved moving forward with establishing a PayPal account to accept payments.

B. Regional Oversight Committee Update – Hammond

Hammond distributed a report (Attachment #2), discussing the status of each Region’s governance structure and the recommended distribution of 2012 Conference Profits to each active Region. T. Morisi and Hammond are to attend the Southeast Region Meeting in Florida.

C. MultiWeb Contract – T. Morisi

Multiview has approached us to request that they be permitted to sell advertisement space on the National Website. The Multiview newsletter (The Inside Lane) has been a nice revenue generator ($1500 this quarter). The Board previously opted to offer the opportunity for each Section to permit MultiWeb to advertise on their websites before National permitted advertising. No Sections have accepted the offer and John Hetrick is recommending that we move forward and approve the offer. T. Morisi is going to go back to Hetrick to get more information.

C. Committee Overview – T. Morisi, Mody, Hochevar

T. Morisi, Mody, and Hochevar meet monthly via conference call to discuss committee activities. Following is a brief summary of the significant committee activities:

National Conference Committee – Central Dacotah is seeking contacts for advertisers.

Partnership Committee – The ATTSA National Conference is in San Antonio in February. ASHE are deciding whether or not to participate. The NACE relationship has been between the Societies’ officers so far. Mody wants to see this moved to the liaisons. NACE’s National Conference is in April. For NAWIC, telephone discussions have been on-going. The draft partnership agreement was approved and is ready to be forwarded to NAWIC for their approval. The International Erosion Control Association is holding their conference in Nashville in February. They have sent a draft partnership agreement which Mody will circulate via e-mail.

Database Committee – The database is working well and is being widely used. The ability to create a central depository for data other than membership is being investigated.
Constitution and Bylaws Committee – Five sections have submitted revised By-Laws; four of those were returned with comments. Middle Tennessee is awaiting comments approval. The Great Lakes Region By-Laws were approved. National By-Laws revisions are to be discussed under New Business. Ridlen recommends that the Operations Oversight Committee and the Constitution and By-Laws Committee get together to review ASHE’s governing documents.

Public Relations Committee – Sandy Ivory, Amanda Schumacher, and Sam Mody met via conference call on August 9th. There have not been many requests for the booth yet. Mody recommends sending out notices to Sections to recommend using the booth at technical conferences, etc. Mody would like to see the calendar filled out for the year. Ivory will not chair the committee next year. Ivory requested the opportunity to edit the member-at-large application.

Technical / SCANNER Committee – There were no updates from the committee. Hetrick apologized for the omission of an article from Clearfield.

Membership / Student / CEU Committee – The IACET application is being finalized. The article on the benefits of ASHE is being reviewed by Mody.

Strategic Plan Committee – No report. Dave Rast’s work schedule is interfering with scheduling meetings.

Legislative Review Committee – No report.

Operations Oversight Committee – The committee is cleaning up the officer position descriptions. Flowe is to circulate the committee guidelines to the Board and to the Committee Chairs for review. Morisi will schedule a meeting to review and finalize the guidelines.

IV. New Business

A. Circle City and Gold Coast Status and Recommendations – O’Hare

Flowe sent current membership rosters for the two sections. Bolte and O’Hare are working on Circle City and have a August 20, 2013 conference call scheduled. Circle City has had no activity for two years. Reutlinger and O’Hare will contact Gold Coast after the Southeast Regional Board Meeting.

B. Section/Region Reporting Template – Mody

Section and Region reports need to have minimum reporting requirements. The Mid-Atlantic Region reports give budget, membership, previous and upcoming activities, request SCANNER article topics, etc. This report is a good example of
what should be included. **Mody is preparing a template and will distribute same for approval.**

C. **Server Update – Jake Morisi**

Responding to T. Morisi request to provide central storage for ASHE data in addition to the Membership Database, J. Morisi is establishing cloud storage for ASHE. Access rights will vary according to the access needs of the user. Sections will be provided both public and private space for their use. The server will be located at server.ashe.pro. **T. Morisi will appoint a committee to develop guidelines for usage and security.**

D. **National Bylaws Update – Hochevar**

The proposed by-law changes are attached as Attachment #3

**O’Hare moved that the proposed Bylaw revisions be approved with the title of Article II changed to Seal and Logo. Mody seconded and the motion was approved.**

E. **Nominating – O’Hare**

The letter requesting nominations has gone out. Nominations are due back by October 31, 2013

F. **New Sections – Mody**

Mody reported that the Denver champion has become non-responsive. The Portland conference call was productive. He is having trouble developing and updating a database. He is using ACEC databases and conference and seminar attendance lists. Mody sent a list of topics for programs used in Georgia. The conference call on the 15th was cancelled and will be rescheduled. E-mails have been sent to Texas.

Mody stated that he has ideas for the New Sections Committee. It is a very slow moving process. It will help if we tie together Partnerships, New Sections, Member-at-Large, Regional Oversight Committee. There seems to be particular opportunities through the Partnership Committee.

G. **Race for Relevance – T. Morisi**
The discussions on the book Race for Relevance were tabled until the next Executive Committee Meeting.

H. ASHE Endorsements – T. Morisi

Fulcrum International has a defacto endorsement by ASHE. A policy is needed to establish a basis for endorsements by ASHE. Morisi will coordinate with Ridlen.

V. Closing and Adjournment

Upon motion by Flowe and second by Mody, the Executive Committee Meeting was adjourned at 11:55 am.

Respectfully submitted,

Charles L. Flowe, PE
National Secretary

J.M. Server Solution Recommendation

I recommend the PayPal Payments Standard solution for the simple reason that it includes everything needed for website integration without the monthly fees. There is no need for transparent processing unless you are running a full ecommerce site and you want customers to stay within your site. With this solution members would click a link to take them to the PayPal processing site, enter their information, then get redirected back to the ASHE site.

The only reason the Pro solution would be needed is if you would want to take phone payments or accept payments via mail or fax. There is an approval process for this solution and it is difficult to be accepted into.

It is always possible to upgrade the service if in the future you need more than what you have now.

Approved By-laws, Treasury and Established Regional Officers
Next Region Board Meeting is September 16, 2013 in Mechanicsburg, PA

Mid-Atlantic Region (National Director – David A. Greenwood, PE):

Approved By-laws, Treasury and Established Regional Officers

Southeast Region (National Director – Nikki Reutlinger, PE):

Approved Bylaws,

Great Lakes and North Central Region (National Director – Caroline Duffy, PE):

In addition, we are restructuring the Great Lakes Region to include several committees similar to National. We have been working on this and rolling it out to our sections this summer. It will help create a line of communication between National, through the Region, to the Sections to strengthen the Regions.
